A great effort against a side with a reputation for the undesirable aspects of footy. They tried to be intimidating, but the Raggies showed real spirit and gave them a lesson in how footy should be played.

Another good win. Had a great start but let them come back in the first quarter. Hops kicked 4 in the second quarter to give us the break we needed.

Seemed to be controlling the game without a startling performance. They charged late to get within 4 points in the last quarter, but the Raggies kicked the last 3 goals to seal the win.

There was a howling gale from one end to the other. We failed to convert opportunities in front of goal and that became very costly when we weren't far enough in front at 3 quarter time.

In the first half we were totally dominant but we dropped the intensity in the second half. With a few important players out, it was a good win.

Inaccuracy in front of goal resulted in a painful loss. We didn't play well and we are likely to meet them again in finals where, no doubt, there will be an improved performance.

Close to the best performance of the year, which is great to see at this late stage of the season. And it was our day with SMOSH West Lakes surprise losers to Flinders Park handing us top spot. Just need to win next week to stay there.

In the end a disappointing result, not for the way we went about it, but just that we didn't win. SMOSH played well and we had a few down on their best.

Mission number 1 accomplished, securing a grand final spot. Our first half was sensational and put us out of their reach. To Walkerville's credit, they battled on well, but the the Raggies were never going to let this one slip.

GRAND FINAL 15 September SMOSH West Lakes 4.4 9.8 15.10 17.13 (115)

In the end they were just too good. Our second quarter killed us and they just went on from there. The boys battled it out right to the end but it just wasn't to be.
